TITLE: Amend Sponsorship Guide

CONTACT PERSON:

Nicole Van Houten, Communication & Event Specialist

BRIEF HISTORY & ANALYSIS: The City Council reviewed and approved the Sponsorship Guide on April 5, 2021. It was designed to assist potential event/program sponsors with a guide of exclusive benefits for supporting events, like marketing opportunities with media exposure and the ability to reach Bondurant residents with their community outreach efforts. Some data and language have been updated to reflect the current operations of the sponsorship program.

PARKS, OPEN SPACE, AND TRAIL SPONSORSHIP

The City of Bondurant Parks, Open Space, and Trails system is extensive and well used. There are 14 neighborhood parks, four community parks, and seven regional/special use ~~13~~ parks spanning more than 163124 acres, 8.82 miles of trails, and 3 open-air~~special use~~ park shelters across the community.

From Lake Petocka to Eagle Park, our system is utilized year-round with our active community that engages daily outside in Bondurant!

The City of Bondurant endorses businesses, individuals, and organizations to consider a memorial item to recognize a loved one. For example, a gift such as a park bench, picnic table, or tree in a public park would be valued by anyone passing by and would last many years. The donation would accentuate Bondurant's beautiful park systems and add meaning to a somewhat simple park amenity. In addition, the City can acknowledge your generous donation with a plaque or written acknowledgment.

Don't forget, gifts are tax-deductible. Don't hesitate to get in touch with your tax professional for more details.

Commemorative Benches:

Approximate price: \$1200 including freight, additional supplies for installation, and labor hours. A Benches are a great addition to our parks and trails. Each bench may also include a recognition plaque installed on it. Approx. Price: \$1,900, plaque will be at an additional cost (Approximately \$250).

Commemorative Tree:

Approximate price: \$680 (includes the purchase of the tree and installation expense) a plaque at an additional cost (Approximately \$250 plus podium or accessory to secure to).

The tree species would be defined by the purchaser and approved by the Bondurant Tree Board or the Bondurant Tree Board can provide a suggestion based on the location where the tree will be planted. The trees are purchased in the fall during the Citywide Annual Tree Sale and planted in the fall. Memorial celebrations can be right after installation or in the proceeding year. Must allow up to 3 weeks for a plaque purchase.

Formatted: Footer, Right, Line spacing: single

Commemorative Picnic Table: ~~A picnic table is a great addition to any park or recreational facility. Approximate price: \$1,615 plus freight, additional installation supplies, and labor hours. A facility. Each picnic table may also include a recognition plaque. Approx. Price: \$5,500.~~ plaque at an additional cost (Approximately \$250).

Please allow between 8 to 12 months for the memorial bench or picnic table to be installed. Memorial items are installed during Spring-Fall. No winter installations. City staff will submit a quote for the estimated cost, which may differ from the estimated pricing above. The location of the memorial placement will be finalized with you before sending the details to the Bondurant Parks and Recreation Board for approval. A concrete pad will need to be taken into consideration, along with how the plaque will be secured.

AGENDA STATEMENT**

Item No. 8.a.
For Meeting of 8/17/2023
Motion

TITLE: Update on the next phase of the Eagle Park Construction

CONTACT PERSON:

BRIEF HISTORY & ANALYSIS: Phase one of the Eagle Park project is complete. Phase two will include the construction of the Disc Golf Course.

In consideration of this new park amenity in Bondurant, should a multi-golf course be better suited? The City of Grimes released its park plans, including a Multi-Golf Course, which has captured media attention and has the residents of Grimes excited to add the first-of-its-kind feature to the Des Metro Area.

MultiGolf combines park golf, foot golf, and disc golf onto one course. The sport was first popularized in Denmark, Finland, Germany, Norway, and Sweden. Find more details at <https://www.discgolfpark.com/multigolf/>

A standard Disc Golf Course with installation will cost approximately \$26,950. The Parks and Recreation Board is looking into a Muti-Golf Course which would come to about \$49,950.

The vendor that has been chosen includes the 9 holes, 9 disc golf targets, 9 turf teepads, 9 teesigns, 1 infoboard, digital mapping graphic, and professional design and installation.

The cost does not include assembly, course preparation, concrete work, treated wood frames, or crushed rock for turf teepads and greenpads.

City Council motioned support of a grant application to the Iowa Economic Development Authority Rural Scale-Up Program on their Monday, August 7, 2023 meeting. This could potentially fund the multi-golf course.

DiscGolfPark®-products

DiscGolfPark® Pro-Target: The target is the most important component of a disc golf course. That's why we have put a lot of effort into it. During the years, we have learned a lot about creating a product that resists corrosion even in the most demanding conditions. It has become one of the most popular disc golf targets worldwide. This highly visible eye-catching target has everything that is needed from a championship level basket – and it stands the test of time. Our targets in the North American market are light blue, making it easy for players to distinguish and recognize them as high quality DiscGolfPark products. Tournament Level Target approved by the Professional Disc Golf Association (PDGA) for competition play. *the product in the offer is the permanent option

DiscGolfPark® PRO Turf TeePad: Every disc golf hole begins on an initial throwing place – the tee. On new disc golf courses, the most popular tee choice is turf. TeePad tees have a significant effect on the general impression and the usability of the course. A turf mat looks tidy and natural. In addition, they are durable and player-friendly, when maintained properly. TeePads are available in two sizes: Am and Pro.

DiscGolfPark® TeeSign: The teesign is specifically designed for disc golf. TeeSign tells the essential hole information and makes playing a more enjoyable experience. You don't need to guess hole lengths, rules or safety issues. The graphics are printed and laminated on a UV-protected sticker that is attached on a sturdy metal plate. Its durable structure and powder-coated body enable the TeeSign to be used in every condition around the year. Teesign is always designed to suit your needs. It can be colored according to your wishes and even specific logos can be added to it. To help navigate on your course, ask for more signs from your course designer!

DiscGolfPark® InfoBoard (Course Map): provides the overall visual layout of the course for ease of navigation for the players. InfoBoard is the eye catcher at the beginning of a disc golf course. InfoBoard presents the course as a whole – offering information on each hole and covering every important detail of the course. Rules and guidelines are easy to describe on it to provide the overall visual layout of the course for ease of navigation for the players. The InfoBoard is designed to match your needs. It can be colored according to your wishes and even specific logos can be added to it. To help navigating on your course, ask for more signs from your course designer!

Course Designer Bio:

Avery Jenkins is a touring professional disc golfer playing tournaments throughout the US and abroad. Recognized as one of the longest throwers in the game, he has achieved great success on the PDGA Tour. A former World Champion, he is considered to be one of the top players in disc golf over the past two decades and continues to be a great ambassador for the sport.

Growing up in Hinckley, Ohio, Avery has been around disc golf all his life. His mother, Sharon, has won 3 World Championships ('92, '94 and '98). His father, Leroy, has won many NT Titles and is credited with instilling in him the love for the game. His sister, Valarie, is also a touring professional disc golfer and is a 4X Women's World Champion ('07, '08, '09 and '16).

After throwing his first disc at the young age of 7, Avery began playing disc golf recreationally and in tournaments sporadically as a kid. He first joined the Professional Disc Golf Association in 1992 as a Christmas gift from his parents, but it was not until after he graduated from high school that he developed an intense passion for the sport and set out to build his life around it.

Over the past 20 years, Avery has achieved great success on the disc golf course playing in 450+ tournaments across the United States and abroad, including Major tournaments in Japan and Europe. His career highlights include winning the 2009 World Championships, the 2004 Japan Open and the 2006 Player's Cup. He is also the 2008 & 2009 PDGA Points Leader and has won 55+ PDGA tournaments to date.

Avery continues to improve his game both while on tour and during the off-season with lots of practice and strength training, always striving to take the game to the next level. In addition to tournament play, Avery is an avid Disc Golf Course Collector playing over 1,500 Disc Golf Courses in 49-states and 23-countries. He is also a championship Disc Golf Course designer putting focus on safety, challenge and overall player experience. He also understands the importance of player progression by giving back to the growing disc golf community and offering instructional clinics to players across the country.

DiscGolfPark®-products

MultiGolfPark® Hole: The MultiGolfPark Target consists of the DiscGolfPark Target and the MultiGolfPark Hole allows players to participate in three forms of golf (disc golf, foot golf and park golf) using the same target. During the years, we have learned a lot about creating a product that resists corrosion even in the most demanding conditions. It has become one of the most popular disc golf targets worldwide. This highly visible eye-catching target has everything that is needed from a championship level basket – and it stands the test of time. Our targets in the North American market are light blue, making it easy for players to distinguish and recognize them as high quality DiscGolfPark products.

DiscGolfPark® Pro-Target: The target is the most important component of a disc golf course. That's why we have put a lot of effort into it. During the years, we have learned a lot about creating a product that resists corrosion even in the most demanding conditions. It has become one of the most popular disc golf targets worldwide. This highly visible eye-catching target has everything that is needed from a championship level basket – and it stands the test of time. Our targets in the North American market are light blue, making it easy for players to distinguish and recognize them as high quality DiscGolfPark products. Tournament Level Target approved by the Professional Disc Golf Association (PDGA) for competition play. *the product in the offer is the permanent option

DiscGolfPark® PRO Turf TeePad: Every disc golf hole begins on an initial throwing place – the tee. On new disc golf courses, the most popular tee choice is turf. TeePad tees have a significant effect on the general impression and the usability of the course. A turf mat looks tidy and natural. In addition, they are durable and player-friendly, when maintained properly. TeePads are available in two sizes: Am and Pro.

DiscGolfPark® TeeSign: The teesign is specifically designed for disc golf. TeeSign tells the essential hole information and makes playing a more enjoyable experience. You don't need to guess hole lengths, rules or safety issues. The graphics are printed and laminated on a UV-protected sticker that is attached on a sturdy metal plate. Its durable structure and powder-coated body enable the TeeSign to be used in every condition around the year. Teesign is always designed to suit your needs. It can be colored according to your wishes and even specific logos can be added to it. To help navigate on your course, ask for more signs from your course designer!

DiscGolfPark® InfoBoard (Course Map): provides the overall visual layout of the course for ease of navigation for the players. InfoBoard is the eye catcher at the beginning of a disc golf course. InfoBoard presents the course as a whole – offering information on each hole and covering every important detail of the course. Rules and guidelines are easy to describe on it to provide the overall visual layout of the course for ease of navigation for the players. The InfoBoard is designed to match your needs. It can be colored according to your wishes and even specific logos can be added to it. To help navigating on your course, ask for more signs from your course designer!

Course Designer Bio:

Avery Jenkins is a touring professional disc golfer playing tournaments throughout the US and abroad. Recognized as one of the longest throwers in the game, he has achieved great success on the PDGA Tour. A former World Champion, he is considered to be one of the top players in disc golf over the past two decades and continues to be a great ambassador for the sport.

Growing up in Hinckley, Ohio, Avery has been around disc golf all his life. His mother, Sharon, has won 3 World Championships ('92, '94 and '98). His father, Leroy, has won many NT Titles and is credited with instilling in him the love for the game. His sister, Valarie, is also a touring professional disc golfer and is a 4X Women's World Champion ('07, '08, '09 and '16).

After throwing his first disc at the young age of 7, Avery began playing disc golf recreationally and in tournaments sporadically as a kid. He first joined the Professional Disc Golf Association in 1992 as a Christmas gift from his parents, but it was not until after he graduated from high school that he developed an intense passion for the sport and set out to build his life around it.

Over the past 20 years, Avery has achieved great success on the disc golf course playing in 450+ tournaments across the United States and abroad, including Major tournaments in Japan and Europe. His career highlights include winning the 2009 World Championships, the 2004 Japan Open and the 2006 Player's Cup. He is also the 2008 & 2009 PDGA Points Leader and has won 55+ PDGA tournaments to date.

Avery continues to improve his game both while on tour and during the off-season with lots of practice and strength training, always striving to take the game to the next level. In addition to tournament play, Avery is an avid Disc Golf Course Collector playing over 1,400 Disc Golf Courses in 49-states and 23-countries. He is also a championship Disc Golf Course designer putting focus on safety, challenge and overall player experience. He also understands the importance of player progression by giving back to the growing disc golf community and offering instructional clinics to players across the country.
